4. The Additional Chief Secretary / Chairman & Managing Director, Tamil Nadu Urban Finance and Infrastructure Development Corporation Limited has also furnished the following details:-

- The Greater Chennai Corporation has 15 zones and stray dogs are being caught based on regular inspection and specific complaints from the public, sterilized and immunized against rabies. These dogs are then released in the same area where they are caught as per ABC Rules. Space constraints and many other factors delays the rate of ABC operation leading to increase in dog population. Therefore, to overcome this and to increase the number of ABC surgeries, the Greater Chennai Corporation has proposed establishing two new Animal Birth Control (ABC) Centers at Meenambakkam and Sholinganallur.
- The proposed LPG-Gasifier Crematorium projects will be developed in a clean and hygienic consolable place with natural elements, and are inclusive of all modern facilities, environmentally friendly combustion arrangement, drinking water facilities, toilets, and greenery around it.
- The Greater Chennai Corporation has proposed the renovation of school building projects to redevelop, revamp and transform selected corporation schools of the city. Students will have an upgraded classroom and a better learning environment as well as improved sanitation through user-friendly toilets and a greener campus through this project.
- The Greater Chennai Corporation is adopting the "CITIS" design for all of the schools within the Corporation. The Greater Chennai Corporation is funding the Smart Classes and furniture through "Member of Legislative Assembly Constituency Development Scheme" (MLACDS), "Namakku Naame Thittam", and other sponsors.
