3.	Play Field Development / Improvement	8	538.39	538.39
	Total	62	3,110.18	3,110.18

7. The Additional Chief Secretary / Chairman & Managing Director, Tamil Nadu Urban Finance and Infrastructure Development Corporation Limited has also furnished the following details:-

- The Principal Secretary / Commissioner, Greater Chennai Corporation has informed that water fountains are proposed to be installed across the city at major traffic intersections in order to reduce air pollution and improve air quality. Installing water fountains can reduce the dust, particulate matter and air pollution that are created due to vehicular movement. The continuous sprinkling of water will also increase the moisture level in the air, absorbs dust, reducing the dryness and making the air more breathable especially during summer season. The Water fountains will also enhance the aesthetic appearance to the city.
- The Principal Secretary / Commissioner, Greater Chennai Corporation informed that, the above Green field (park) projects are proposed to be developed as per the aspirations of the citizen which would help in improving the environmental, aesthetic, and health needs of the urban dwellers and comprises of necessary facilities including Foot path, Children Play area, multipurpose play court, toilet, lighting, required greeneries etc. The proposed play fields will provide both active and passive recreational opportunities to citizens in Chennai. Having a play area nearby will encourage youth to take up sports seriously as part of their routine. The proposed play fields will feature football, badminton, and volley ball courts, as well as facilities for youth to participate in sports and succeed in their lives.

8. With the above approval of PSMC, the overall Sanction under "Singara Chennai 2.0" for the financial year 2021-22 is tabulated as follows:
