4. The Principal Secretary / Commissioner, Greater Chennai Corporation has informed as follows:-

- The proposed Rejuvenation of Water bodies projects will not only store water but also helps in efficient flood control. The rejuvenation of water bodies will address the interference or damages caused due to various reasons and it will also act as a recreational space for citizen.
- The renovation of school building projects are proposed to redevelop, revamp and transform selected corporation schools of the city. Students will have an upgraded classroom and a better learning environment as well as improved sanitation through user-friendly toilets and a greener campus through this project.
- The proposed LPG-Gasifier Crematorium projects will be developed in a clean and hygienic consolable place with natural elements, and are inclusive of all modern facilities, environmentally friendly combustion arrangement, memorial shed, a meditation room, drinking water facilities, toilets, and garden around it.

5. With the proposed pathway at Marina beach, people with locomotor disabilities as well as senior citizens will have easier access to the water edge. The wooden structure is eco-friendly, making the pathway compliant with all Coastal Regulation Zone requirements. There will remain no change in the existing strata of the ecological system and environment because the proposed path to be placed over the sand bed. This wooden structure is made of Red Maranti / Babool / Nellari wood for the timber framework, and Brazilian IPE wood for the decking for a proper platform.

6. The Ministry of Environment, Forest and Climate Change, Government of India vide their letter F.No.11-1/2020-1A-III dated: 09.03.2020, has approved the project for a length of 125 m behind Gandhi statue of Marina Beach. The Principal Secretary / Commissioner, Greater Chennai Corporation informed that the project has been proposed for a length of 235 m in order to facilitate free access for people with locomotor disabilities and senior citizens to reach the water edge of marina beach. The Principal Secretary / Commissioner, Greater Chennai Corporation and the Chief Engineer - Greater Chennai Corporation also assured to obtain necessary approvals from appropriate authorities for the addition length of the proposed project and the conditions prescribed in the above Government of India letter.

7. The Additional Chief Secretary / Chairman & Managing Director, Tamil Nadu Urban Finance and Infrastructure Development Corporation Limited has requested the Government to accord administrative sanction for implementation of Rejuvenation of Water bodies, Construction / Renovation of School buildings / Crematorium and Providing access pathway for differently abled persons at Marina beach (behind Gandhi Statue) projects of Greater Chennai Corporation at an approved project cost of Rs 2,268.70 lakh.
