[File No-E1/6041/2021] @ a Bid Price of Rs. **2,44,20,669.00** you are hereby instructed to proceed with the execution of the said works in accordance with the contract terms and conditions. The Contract Period is 180 days from the date of issue of work order.

You are hereby instructed to proceed with the execution of the above said work in accordance with the conditions stipulated as per the agreement. Your attention is drawn to the following specific conditions for strict compliance:

**7. Contract Period:** The Contract period is for 180 Days from the date of issue of Work Order to the successful contractor.

**8. Payment Schedule:** Part or Complete Payment will be made every month by the Commissioner based on the outturn of satisfactory completion of work in the previous month and value of work executed shall be determined, based on the measurements and check measurements by the Engineer in the M.Book.

**9. Milestones and Liquidated Damages:** The work will have two milestones

**In case of Black Topping (BT) as well as Cement Concrete (CC) Roads,** the following milestones have to be met

- a) Minimum one third of the value of work should be completed by the end of the 90 days,
- c) Work should be completed in all respects by the end of the 6th month.

If there is default in meeting either or both these deadlines, Liquidated damages @ 0.1% of the unfinished value of work (in relation to the two milestones) will be levied per day till their completion.

**10. Machineries:** The bidder should own or lease Paver Machine and tie up with a Hot Mix plant in respect of the BT roads. The Hot Mix shall be delivered at the work site at 120° C. The detailed list of Machineries as detailed in the Tender document shall be made available at the work site.

**11. Retention Money:** The Corporation shall retain a sum equivalent to 5% of the value of the each bill as retention money from each payment due to the Contractor. Out of the 5% of the retention amount, on issue of completion certificate for the work 2.5% will be released to the Contractor, while the balance 2.5% will be retained during defect liability period (ie., 1 year for the BT Roads and 2 years for the CC Roads). The retained 2.5% will be released by the Commissioner after ensuring no liability in connection with work executed.

**12. State Quality Monitors:** In order to ensure quality of the work, Third party checks and inspections by the State Quality Monitors will be taken up. Any defects pointed out by the State Quality monitors shall be attended by the Contractor at his own cost and rectified.

**13. Fraudulent Practices :** If it is found any time during the tender process, award of contract, or during the contract period, that the Contractor has furnished false certificate or if the Contractor, in the judgment of the Employer has engaged in corrupt or fraudulent practices in competing for, getting the contract or in the executing the Contract, the Contract will be summarily terminated and Criminal Proceedings will be initiated.

**14. Termination of the Contract:** If the work is not completed even 45 days after the contract period (180 Days period), the contract is liable for summary cancellation

**15. Defect Liability Period:** The defect liability period is 1 year for the BT roads and 2 years for CC roads.
